My background

I was Born in West Wellega, Ethiopia completed my primary school there. Growing up I adored art, filling my sketchbook with vibrant colors. Inspired by local murals, and always dreamed of creating masterpieces. then i moved to Addis Ababa where i completed my high school and university. I currently live in Addis Ababa Inspired by city lights, I am creating graphic designs that fuse technology, culture, and beauty, blending modern innovation with rich traditions to inspire and connect. I am Highly motivated, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. Eager to contribute to team success through hard work, attention to detail and excellent organizational skills.
